## MUUVO – SKILLS AS A DRIVING FORCE

### SKILLED STAFF

Skilled personnel are a resource and asset of every company. Micro-courses enable smooth skills development of staff while they continue to progress in their work.

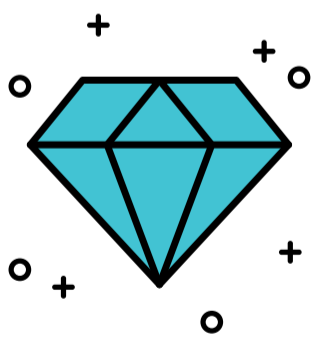

### COMPETITIVE COMPANY

Continuous learning practices as part of companies' everyday operations improve their readiness for change, growth, and business renewal.

### RESOURCE-SMART WORKING LIFE-ORIENTED MODEL

Company-specific coaching together with micro-courses aimed at employees supporting companies' adaptability to change. This will increase the rate of survival of companies in a changing business environment.

### SUSTAINABLE DEVELOPMENT AND GREEN TRANSITION

The company-specific training and micro-courses offered to staff support the adoption of the principles of sustainable development. This newly acquired thinking will lead to a competitive edge that will create value for customers and stakeholders.

Project period: 1 October 2021 – 31 August 2023
